

HELPING PEOPLE EVERY DAY

“OVER 7 WEEKS OF LEAVE, GOOD PAY, AND WORK-LIFE BALANCE. I’M HAPPY AND SO IS MY FAMILY!”

In a previous life, I worked as a travel agent. The hours were long, I would take work home, and worst of all I had no time for my two young kids and husband. Since becoming a tram driver, my life has changed. I have a more flexible schedule and I get paid for overtime. I love the freedom, mixing with the public, and it feels good to know I can always call for support from the Operations Centre.

Every day’s a new day now; I love seeing Melbourne in a new light each time I get on board. Best of all, I’m more involved with my kids and their school activities.

Everyone loves trams, I love trams – I drive a Melbourne icon!
