

No trams running

Due to industrial action

Thursday 28 November and Thursday 5 December

Reason for service changes

Due to planned industrial action, no trams will run between **10am and 2pm**. Services are expected to be significantly disrupted until approximately **3.30pm**.

Passengers are encouraged to defer all non-essential travel and consider alternative options during this period.

Service changes

A replacement bus service will run; however, this will be very limited and will not service all the tram network. Delays are expected for passengers using this service.

Buses will service existing tram stops along bus routes. At tram platform stops, buses will stop at the footpath nearby where possible. Please hail the bus as it is approaching.
