

NO GO ZONES

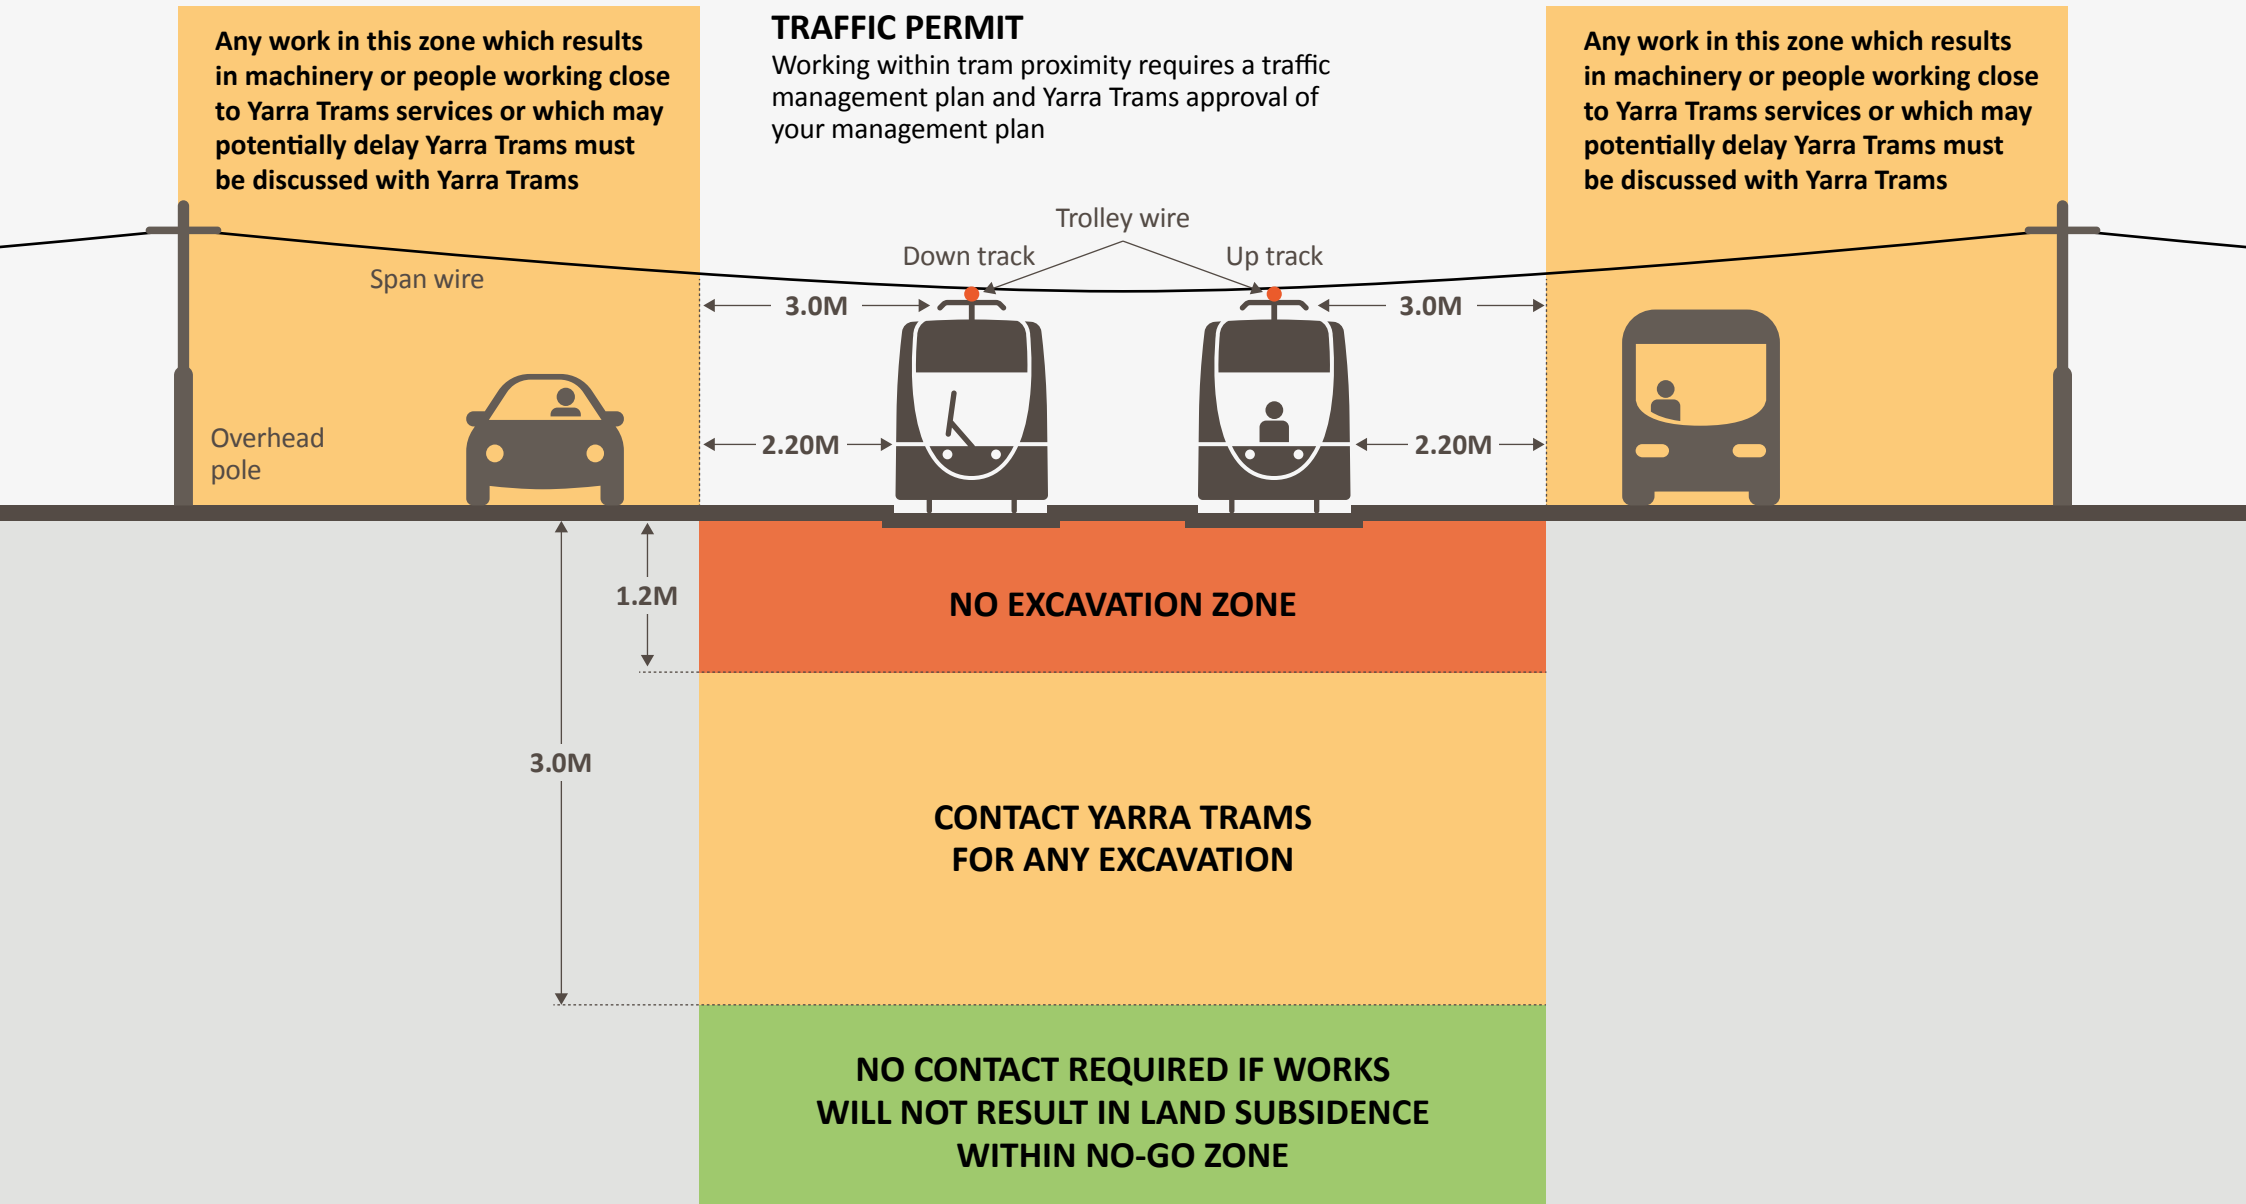

Working within track or switching requires a permit to work

TRAFFIC PERMIT

Working within tram proximity requires a traffic management plan and Yarra Trams approval of your management plan

Any work in this zone which results in machinery or people working close to Yarra Trams services or which may potentially delay Yarra Trams must be discussed with Yarra Trams

Any work in this zone which results in machinery or people working close to Yarra Trams services or which may potentially delay Yarra Trams must be discussed with Yarra Trams

NOTE:

1. These are general guides for high risk zones in and around tram infrastructure.
2. That Yarra Trams underground assets are also installed outside these zones. Check with MOCS.
3. Overhead powerline levels are a guide and heights may vary.
