- > Tram improvement works start Saturday 28 October
- > Details of temporary changes to vehicle access for properties within the work zone

Dear Business Owner / Resident,

**From Saturday 28 October until Monday 6 November 2017 (inclusive), a temporary road closure for tram improvement works will affect access to your property.**

As part of the modernisation of Melbourne's tram network, Yarra Trams and Public Transport Victoria (PTV) are renewing tram infrastructure at the junction of Nicholson Street and Moreland Road. Two full road closures will be in place:

- > Nicholson Street will be closed between Holmes Street and The Grove.
- > Moreland Road will be closed between Nicholson Street and Grant Street.

As a result, tram Routes **1 and 6** will be affected and buses will be replacing tram services for part of the journey. There will be no on-street car parking in the work zone. Pedestrians can still move around the work zone.

**A map detailing the changes for local access is on the following page.**

- > Set-up for the project will commence from 10pm Friday 27 October until 5am Monday 6 November 2017 (inclusive)

We thank you for your patience and regret any inconvenience caused by these essential tram improvement works.
