Brunswick Tram Depot Precinct Upgrade – Sydney Road and Moreland Road

May 2026

We're upgrading the Brunswick Tram Depot to support the addition of larger trams to the fleet, more trams in the depot and to improve accessibility and safety.

To carry out these works safely, we are conducting site investigations and need to close sections of Sydney Road and Moreland Road at night.

When to expect us

Works will take place on the evening of **Sunday 10 May** on Moreland Road.

Works will take place **from Monday 11 May to Thursday 14 May from 9.30pm to 5am** on Sydney Road.

Crews will work at night to minimise disruptions.
