Notice of works

Brunswick Tram Depot Upgrade works

November 2026

We're in the final stages of upgrading the Brunswick Tram Depot as we add larger trams and improve how the network operates.

Works will continue around the Brunswick Tram Depot precinct until early 2027 including site investigations and connecting underground services. We'll also continue constructing a new tram terminus track along Cameron Street.

Moreland Road site investigations

We're undertaking site investigations to help us safely build underground power cables that will connect the new Brunswick Tram Depot substation to the network.

When?

- **9pm to 7am, Monday 16 November to Wednesday 18 November**

What to expect?

- Temporary lane and car park closures on Moreland Road near Moreland Station.
- Low to medium levels of noise, including saw cutting and noise from vehicle movements.
- Where possible, the most disruptive works will be completed before 11pm.
- No impacts to bus or tram services.

Emergency services access will be maintained throughout all of our works.

Moreland Road High Voltage Feeder Cable works

We will be installing underground high-voltage feeder cables in November and December. This involves directional boring and cable hauling between the Yarra Trams car park on Colebrook Street and the Moreland Station car park on Cameron Street.

When?

- **7am to 7pm, Monday 16 November to Wednesday 13 January (excluding weekends)**

What to expect?

- There will be temporary partial car park closures within the Moreland Station car park. All DDA parking spaces will be retained.
- Low to medium levels of noise, while we complete excavation.
- Increased construction vehicles in the area.

Transport Victoria

Cameron Street and Sydney Road cable hauling

In January 2027, we'll be installing electrical cables to connect the new Brunswick Tram Depot substation to the tram network.

When?

Cameron Street:

- **9pm to 11am, Friday 8 and Saturday 9 January 2027**
- **1am to 5am, Sunday 10 to Thursday 14 January 2027**

Sydney Road:

- **9am to 5pm, Tuesday 12 and Wednesday 13 January 2027**

What to expect?

- Low to medium levels of noise while construction vehicles move around the works area.
- Parking lane and footpath closures outside the tram depot on Sydney Road.
- No impacts to bus or tram services.
