

Brunswick Tram Depot Upgrade

Major works

August 2026

We're building a pair of level-access tram stops on Moreland Road and new tram tracks on Sydney Road and Cameron Street.

There will be road closures and 24-hour construction works between August and October 2026.

Thank you for your patience while we complete these works.

Sydney Road

Sydney Road will be closed between Davies and Mitchell streets.

When?

Start: 9pm, Friday 21 August
Finish: 5am, Friday 4 September

What we're doing

- Installing tram tracks for a new tram depot exit onto Sydney Road.
- Installing new overhead wires.

Cameron Street

In the lead up to these 24-hour works, there will continue to be road closures and out of hours works.

Cameron Street will be closed between Prowse Street and Moreland Road.

When?

Start: 9am, Friday 21 August
Finish: 5am, Monday 5 October

What we're doing

- Installing tracks for the new tram terminus and expanded depot.
- Upgrading tram signalling and overhead wires.

Moreland Road

Moreland Road will be closed between Colebrook Street and Sydney Road.

When?

Start: 9pm, Saturday 12 September
Finish: 5am, Friday 2 October

What we're doing

- Building a pair of level-access tram stops on Moreland Road between Cameron Street and Sydney Road.
- Track and overhead works between Sydney Road and Cameron Street.

Moreland Road will be closed between Colebrook Street and Sydney Road from 10pm, Saturday 3 October to 5am, Sunday 4 October for tram testing.

Businesses will remain open during the works. Please continue to support your local businesses.

What to expect:

Road and parking

- 24-hour works.
- Road closures. Detours will be in place for vehicles and bike riders, with traffic management and signage.
- On-street parking will be closed within the work areas during each road closure.

Public transport

- Tram routes 6, 19 and 58 will have service changes, with buses replacing trams.

Pedestrians

- The Upfield Shared Use Path will continue to be closed during these works. Please continue to use Colebrook Street.
- Pedestrian access will remain open with detours in place at times.

Noise and dust

- Expect very high noise levels during the first few days and nights while we remove existing tram tracks and excavate underground materials.
- During the rest of the works, noise levels will vary from medium to high.
- Activities may include saw cutting, excavation and construction vehicle movements.
- We will complete the noisiest works during the day where possible.
