## Brunswick Tram Depot Upgrade works until late 2026

### May 2026

We're upgrading the Brunswick Tram Depot to support the addition of larger trams to the fleet, more trams in the depot and to improve accessibility and safety.

From now until late 2026, works will continue around the Brunswick Tram Depot precinct to relocate and upgrade underground services.

#### Sydney Road service relocation works

##### When?

- Day works until the end of July 2026.

##### What to expect?

- Lane closures at times on Sydney Road between Peveril Street and Mitchell Street.
- Mostly low to medium levels of noise. Some short periods of high levels of noise including saw cutting and excavation work.
- Traffic management will be in place to ensure worker and community safety. Please follow the signage and allow extra time when planning your journey.

#### Colebrook Street sewer works

##### When?

- 7am to 5pm, Wednesday 27 May and Thursday 28 May for sewer investigation works.
- 5 days in July to connect underground sewer services.

##### What to expect?

- Colebrook Street will be closed on the northern end, near Moreland Road.
- Pedestrian, bus and bike rider access will remain open through the works area.
- For safety reasons and to minimise traffic flow in the area, car detours will be via local roads.
- There will be no impact to Moreland Road.
- There will be medium level of noise with periods of high levels of noise to do saw cutting and deep excavation.

#### Cameron Street service relocations

##### When?

- Weekdays, 7am to 5pm, Wednesday 3 June to Wednesday 10 June.

##### What to expect?

- Access to Peveril Street from Cameron Street will be closed.
- Access into Peveril Street will be via Sydney Road.
- Right-hand turns onto Cameron Street from Peveril Street will remain open.
- Cameron Street will remain closed between Peveril Street and Prowse Street with detours in place via Tinning Street and the council carpark.

#### Sydney Road civil works

##### When?

- 9pm to 7am, Friday 3 July to set up concrete barriers along Sydney Road. A section of Sydney Road will be closed at times between Donald Street and Mitchell Street to ensure the safety of workers as they set up some of the barriers.
- 7am-5pm, Monday to Saturdays between Saturday 4 July to Friday 7 August to build and upgrade services. Sydney Road will be open to traffic.

##### What to expect?

- There will be temporary lane, car park and footpath closures on Sydney Road near Donald Street at various times.

- There will be traffic controllers in place, please follow signage and their direction.
- Mostly low to medium levels of noise during our night works on Friday 3 July while we lift barriers into place at night.
- Medium to high levels of noise at times during our day works from Saturday 4 July to Friday 7 August including saw cutting and deep excavation works.
- There will be no impact to buses.
- We will be in contact closer to the date to confirm impacts of our works. Your utility service provider will be in contact if there are any disruptions to your services.

**Business and emergency services access will be maintained throughout all of our works.**
